REASONS FOR ALLOWANCE

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claims 19, "claim 19" has been changed to -- claim 18 --

The following is an examiner's statement of reasons for allowance: The instant invention claims an absorbent core for collection of bodily liquids comprising super absorbing gelling material in the form of particles.

The closest prior art references that relate to the claimed invention are Wang'405, '432, '672 and Delzer'905. The closest prior art of record does not teach or fairly suggest the claimed particles having specific composition and properties.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
